

BioGov.net

Governance & Upskilling for a Stronger Bioeconomy

Project Overview

BioGov.net is a three-year project funded by the Horizon Europe programme, composed of 10 experienced partners that will operationalise the project's activities in 8 EU countries: Estonia, Italy, the Netherlands, Greece, Slovakia, Czech Republic, Portugal and Germany.

Our mission

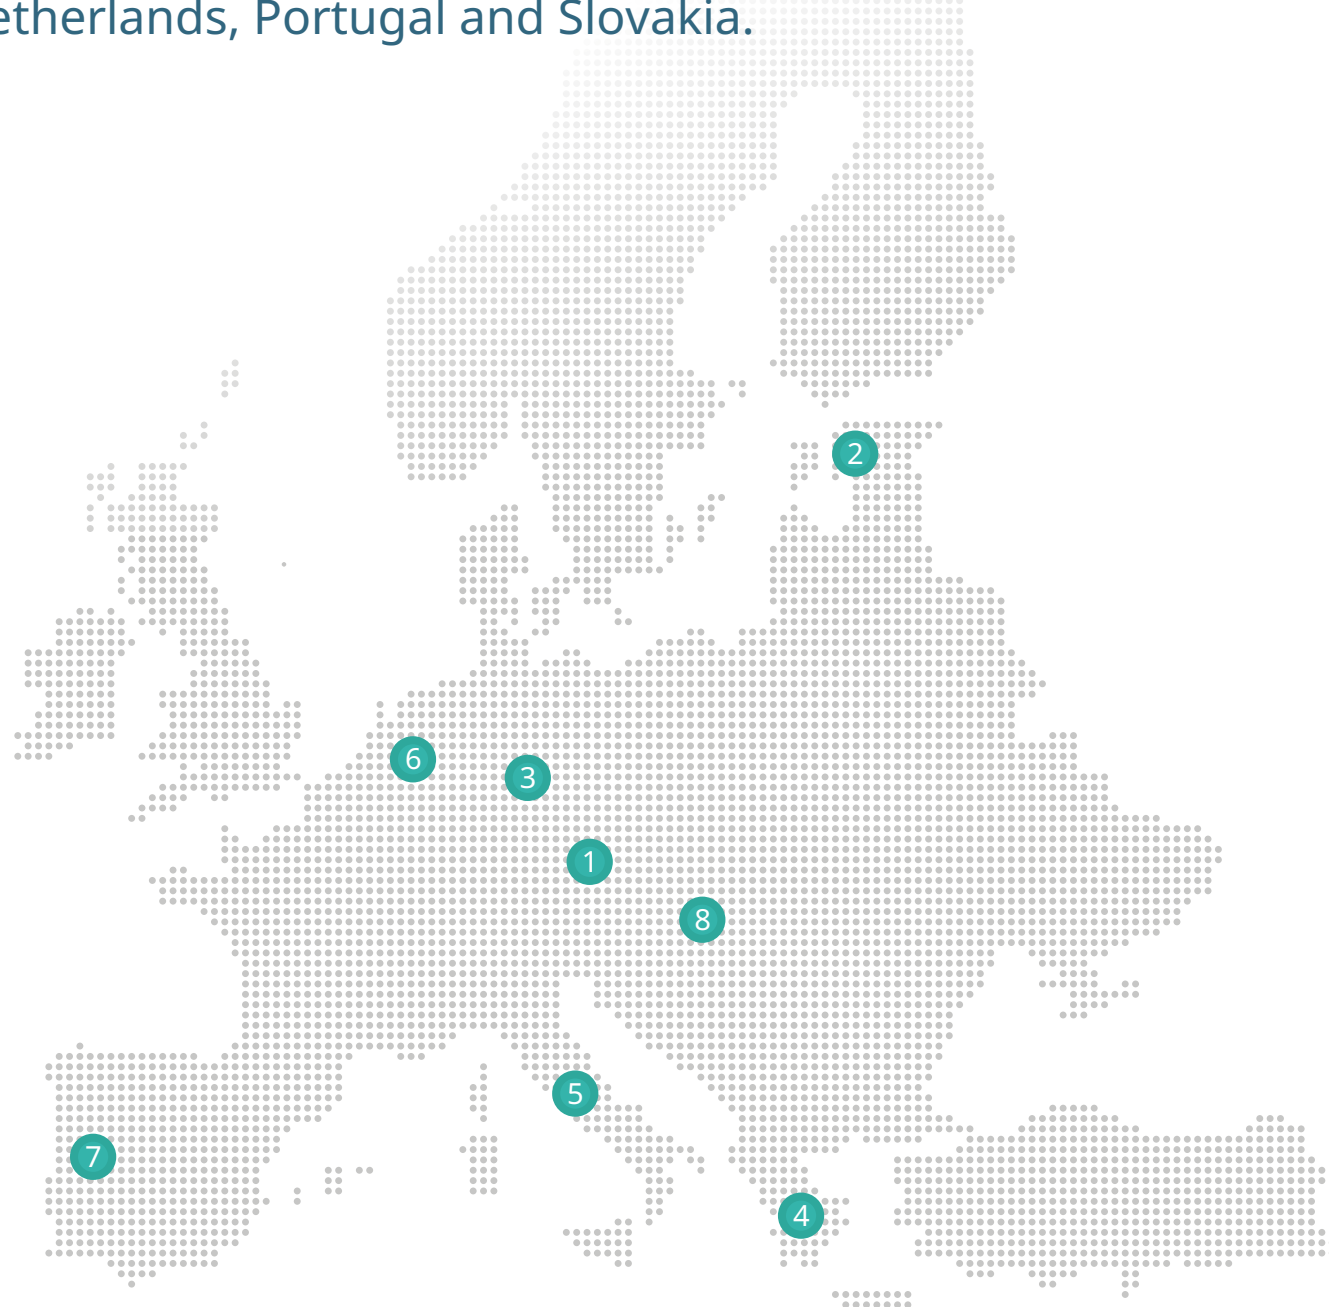

To foster the transition to an innovative and inclusive Bioeconomy by:

- Exploring innovative governance models for the **bioeconomy education**.
- Co-creating **guidelines for bioeconomy training and mentoring** through a multistakeholder approach, while **integrating humanities, art, design and culture**.

Where we act

The **geographical scope** of the intervention of BioGov.net project focuses on 8 regions from these EU countries: Czech Republic, Estonia, Germany, Greece, Italy, Netherlands, Portugal and Slovakia.

- 1 - Czech Republic
- 2 - Estonia
- 3 - Germany
- 4 - Greece
- 5 - Italy
- 6 - Netherlands
- 7 - Portugal
- 8 - Slovakia

Our main activities

- 01** Conducting a **regional assessment of bioeconomy education** needs with a special focus on Vocational Training and Life-Long Learning.
- 02** Identifying **good practices and case studies** in bioeconomy education, training and capacity building.
- 03** Mobilising **European Communities of Practice** for better governance and skills development in bioeconomy in Estonia, Italy, Netherlands, Greece, Slovakia, Czechia, Portugal, and Germany.
- 04** Facilitate **creative and innovative thinking** in bioeconomy education through art and culture, to help solve complex problems.
- 05** Delivering top-notch **training and mentoring guidelines** tailored to the regional needs.
