VET, Life Long Learning – EU Policy Workshop

29 October 2024, at 15h until 16h30 CET in online format.

Objective

The workshop aims to co-design recommendations from various Bioeconomy Education projects and initiatives to inform the revision of the European Commission's Bioeconomy Strategy. This workshop is organised by BioGov.net and counts with the presence of Engage4Bio, BioBec, Transition2Bio and Circular Bricks. It will showcase good practices from several projects across different levels of education.

Participating Projects:

- [Engage4Bio](#)
- [BIObec](#)
- [Circular Bricks](#)
- [Transition2Bio](#)

Agenda

15h – 15h30 CET

Presentation of inspirational case studies and Education and Policy recommendations from EU funded projects:

- BioGov.Net
- Engage4Bio
- BIObec
- Circular Bricks

15h30-16h30 CET

Interactive
Discussion

Co-creation of Educational Recommendations - target: Educational community

- For formal and informal education (including Awareness and Education). Collaboratively develop through a MIRO exercise, already pre-filled with the contributions from the inspirational case studies to develop recommendations to be uptaken by the educational community.

Co-Creation of Policy Recommendations -target: Policy Makers

- Collaboratively develop through a MIRO exercise, already pre-filled with the contributions from the inspirational case studies policy recommendations for sustainable bioeconomy education governance models at the European level. This involves sharing and discussing best practices, innovative policies, and regulatory measures to boost bioeconomy education in formal and non-formal education.
